

RECRUITMENT & EMPLOYEE SCREENING SERVICES

Finding the right person for any position takes a lot of work. IHA can make hiring easier and more cost-effective through our employee screening and recruitment services.

IHA Human Capital Performance offers a portfolio of employment life-cycle services, including:

- Pre-employment screenings
- Employment screening services
- Compensation data
- Employee benefits
- Executive coaching
- HR metrics data
- Unemployment administration
- Outplacement

Our solutions are provided by IHA Human Capital Services Inc., an IHA affiliate corporation.

Why Choose Us

We offer specialized hiring tools to help you make better hiring decisions. Verified Services, Accurate Biometrics and BackTrack streamline the process of education/employment and background checks for healthcare organizations.

Consider us your back office team—experts in the field and accessible when you need us.

What We Offer

Verified Services:

IHA is a state-contracted live scan fingerprint vendor and provider of Illinois State Police criminal history background checks. Our average turnaround time is 24-48 hours for Illinois fingerprint and name searches.

Your Trusted Resource

More than 95 IHA member hospitals and healthcare organizations use Verified Services to support hiring decisions and avoid loss in recruiting and training costs.

Why not you?
