2022 MAPS PSO ANNUAL CULTURE OF SAFETY WORKSHOP

Full Two-day Virtual Program — October 27-28

Exclusively for MAPS Members

DAY 1—THURSDAY, OCTOBER 27

Expert Presenter

Mike Hodges MA, CPP, CHPA
System Director, Public Safety
Piedmont Healthcare, Atlanta

The Role of Patient Safety in Minimizing Workplace Violence Across the Care Continuum

Take a deep dive into workplace violence prevention. We'll explore de-escalation techniques, clinical violence risk assessments and case studies applicable to real-world situations.

Featured Sessions:

- ▶ Successful Practices and Interventions for Workplace Violence
- ▶ Empowering Staff with Compassionate Curiosity, Recognizing Triggers and Establishing Response Teams
- ▶ Managing Healthcare Safety via Proactive Workplace Violence Strategies

Designed For:

- ▶ Leadership staff
- ▶ Patient Safety, Quality and Risk staff
- ▶ Physicians, Nurses and Clinical staff
- ▶ Security and Safety teams
- ▶ Behavioral Health staff

DAY 2—FRIDAY, OCTOBER 28

Expert Presenter

Peggy Binzer, JD
Executive Director
Alliance for Quality Improvement
and Patient Safety

PSO Strategies and Tools to Enhance Your Patient Safety Program

Get the tools you need to enhance the safety culture in your organization. We'll cover Patient Safety Evaluation System policy, adverse event reporting, data submission and more!

Featured Sessions:

- ▶ PSES Questions and Clarifications: Consistencies in Staff Reporting of Adverse Events
- ▶ PSO Workforce Training: Critical Insights for You and Your Workforce
- ▶ Data Lessons and Data Points That Drive Change

Designed For:

- ▶ Leadership Staff
- ▶ Patient Safety, Quality and Risk Staff
- ▶ Physicians, Nurses and Clinical Staff
