The IHA Board of Trustees is the Association's policymaking body. The Board is made up of 20 trustees, elected by the voting members of the Association, five officers (chair, chair-elect,

immediate past chair, treasurer, and secretary) and the Association's president and CEO. Constituency sections, councils and ad hoc task forces provide members with opportunities to participate in the Association's policy development process.

### **About IHA**

The Illinois Health and Hospital Association, with offices in Chicago, Naperville, Springfield, and Washington, D.C., advocates for Illinois' more than 200 hospitals and nearly 50 health systems as they serve their patients and communities. IHA members provide a broad range of services—not just within their walls, but across the continuum of healthcare and in their communities. Reflecting the diversity of the state, IHA members consist of nonprofit, investor-owned and public hospitals in the following categories: community, safety net, rural, critical access, specialty, and teaching hospitals, including academic medical centers.
