About IHA

The Illinois Health and Hospital Association, with offices in Chicago, Naperville, Springfield, and Washington, D.C., advocates for Illinois' more than 200 hospitals and nearly 40 health systems as they serve their patients and communities. IHA members provide a broad range of services—not just within their walls, but across the continuum of healthcare and in their communities. Reflecting the diversity of the state, IHA members consist of nonprofit, investor-owned and public hospitals in the following categories: community, safety net, rural, critical access, specialty, and teaching hospitals, including academic medical centers.
