

Today is Health Equity Action Day in Illinois! We've joined hospitals and health systems across the state to redouble our commitment to reducing disparities and increasing access to care. Follow along at #HealthEquityAction

Health equity starts with us. We are taking concrete action to reduce health disparities in Illinois' most vulnerable populations. That's the focus of today's special event, #HealthEquityAction Day.

What is #HealthEquityAction Day? A time to learn, listen and collaborate on solutions to our society's pervasive health disparities. Learn more at <https://www.team-iha.org/quality-and-safety/addressing-health-disparities>

Achieving health equity isn't just a priority—it's personal. We're dedicated to improving the health & well-being for our patients and neighbors. That's the focus of today's special event, #HealthEquityAction Day.

COVID-19 highlighted long-standing disparities among Black and Brown communities. See how the Illinois hospital community is taking #HealthEquityAction at <https://www.team-iha.org/quality-and-safety/addressing-health-disparities>
