Build Your Equity Initiative

Turn your organization's health equity plans into action: Join IHA's expert-led learning collaborative to build out an implementation plan and timeline for a specific equity initiative. This four-part series, "Health Equity in Action," will engage hospital leaders organization-wide in equity improvement efforts.

Using process improvement strategies, IHA staff will help your organization translate your Progress Report data into concrete steps to advance health equity.

Live Virtual Series

Session 1 - April 6: Overview of the implementation journey

Session 2 - April 20: Data review and peer-to-peer learning

Session 3 - May 4: Project mapping and organizational change

Session 4 - May 25: Implementation plan development

Session 1 is from noon-1 pm. Sessions 2-4 are from noon-1:30 pm.

Who Should Attend

This learning collaborative is designed for hospital and health system leaders and teams organization-wide, as health equity touches all departments and individuals.

Register Today

tinyurl.com/HealthEquityInAction

This series is complimentary for IHA-member hospitals and health systems.

Organizations that previously participated in an IHA learning collaborative are encouraged to have additional staff attend or to participate again with a different equity initiative.

Participants are encouraged to register as a team. The four webinars will be recorded and made available to all registrants following the program.
