

2019

CALL FOR ENTRIES

ADVANCING QUALITY CARE & PATIENT SAFETY

Every year, IHA honors hospitals and health systems for their superlative work developing and implementing quality improvement initiatives that have real impact.

Patients and communities depend on the efforts of Illinois' hospital community to advance quality care.

You take pride in that work. Submit your top project for IHA's annual Quality Excellence Achievement Awards.

SUBMISSION DEADLINE:
JUNE 14, 2019

QUALITY EXCELLENCE ACHIEVEMENT AWARDS

2019

PROJECT CATEGORIES

Choose a project in one of the following categories:

- ▶ Behavioral Health
- ▶ Care Coordination
- ▶ Infection Prevention
- ▶ Opioid Stewardship
- ▶ Patient Safety
- ▶ Social Determinants of Health
- ▶ Workplace Safety

Hospitals and health systems may submit one project per hospital and one per health system.

SUBMISSION REQUIREMENTS

Your project will be scored on the following criteria:

1. Problem statement and project goals 25 points
2. Team composition 20 points
3. Improvement planning and implementation. 45 points
4. Results and impact. 60 points
5. Sustainability 20 points
6. Scope and spread. 15 points

EXTRA CREDIT

Your submission can earn up to 15 extra credit points if your project demonstrates the integration of patient/family engagement principles.

A national panel of quality experts will judge the submissions. Awards will be presented at the 2019 IHA Leadership Summit on September 26, 2019.
