

Instructions for Downloading the PCS Form

Firefox

1. Open your Firefox browser.
2. Copy and paste this URL into your Firefox browser: <https://www.team-iha.org/files/non-gated/advocacy/physician-certification-statement-for-ambulance-tr>
3. A page reading "Please wait..." will appear. At the top right corner of your browser, click the button "Open with Different Viewer."
4. Choose "Open" using your preferred PDF viewer (eg, Adobe, Foxit). You may have to select "Other" from the drop-down and choose the correct program. If it still does not open, you may need to upgrade your PDF viewer or download a new one (eg, Adobe, Foxit).

Chrome

1. Open your Google Chrome browser.
2. Copy and paste this URL into your Chrome browser: <https://www.team-iha.org/files/non-gated/advocacy/physician-certification-statement-for-ambulance-tr>
3. A page reading "Please wait..." will appear. Hover your mouse over the "Please wait..." At the top right corner of your browser, click the button with the downward arrow.
4. Save the file in **your desired location** using your preferred PDF viewer (eg, Adobe, Foxit). You may have to choose the correct program from the drop-down. If it still does not open, you may need to upgrade your PDF viewer or download a new one (eg, Adobe, Foxit).
5. Go to the folder where the file is saved and open the file.

Microsoft Edge

1. Open your Microsoft Edge browser.
2. Copy and paste this URL into your Edge browser: <https://www.team-iha.org/files/non-gated/advocacy/physician-certification-statement-for-ambulance-tr>
3. A page reading "Please wait..." will appear. Hover your mouse over the "Please wait..." At the top right corner of your browser, click the button with the floppy disk titled "Save As."
4. Save the file in **your desired location** using your preferred PDF viewer (eg, Adobe, Foxit). You may have to choose the correct program from the drop-down. If it still does not open, you may need to upgrade your PDF viewer or download a new one (eg, Adobe, Foxit).
5. Go to the folder where the file is saved and open the file.
