# PSO Quality and Collaboration

Our annual workshop provides essential education to strengthen your organization's safety culture and PSO protections. This year's program offers short learning sessions, as well as time to ask questions of our expert presenters and MAPS team members. You'll benefit from member engagement and collaboration, along with insights and strategies from national thought leaders.

## Workshop Highlights

- ▶ Annual PSO Workforce Training
- ▶ PSO Case Law and HHS/AHRQ Updates
- ▶ Shared Learnings and Collaboration on the CMS PSSM
- ▶ A Quality Improvement Member Story

## Key Takeaways

- ▶ Strategies to update your PSES policy for maximum benefit
- ▶ Best practices and tools to engage staff in event reporting
- ▶ PSO case law updates and how to prepare for audits and manage safety events

**There is no fee to attend.  
The workshop is a benefit of  
your MAPS membership.**
