Affiliate Societies

Become a member of IHA affiliate societies to help advance healthcare in Illinois. These groups provide networking opportunities and education to healthcare professionals across disciplines.

Administrators of Volunteer Resources: Members in this IHA affiliate society represent more than 50 years of experience in volunteer management. Formed in 1999, the group works to advance healthcare volunteerism and management.

Illinois Association for Healthcare Quality: Focused on healthcare quality, this association provides healthcare professionals with a forum for education, networking and opportunities for professional growth.

Illinois Association of Healthcare Attorneys: Since 1976, this association has been the premier source of education, information and networking for attorneys interested in legal issues in healthcare.

Illinois Council of Health-System Pharmacists: This council provides policy development, advocacy and education for pharmacists, technicians, students and pharmaceutical representatives.

Illinois Health Information Management Association: An association of health information management professionals, this group fosters professional development through education and lifelong learning.

Illinois Society for Healthcare Marketing & Public Relations: Designed for healthcare marketing and communications professionals, this society offers networking, recognition and education for professionals in healthcare public and community relations, marketing and affiliated services.
