IHA Estimates Impacts of Affordable Care Act Repeal by Illinois Congressional District

IHA has developed preliminary estimates of the impacts of repealing the Affordable Care Act (ACA) without a replacement plan on each Congressional District in Illinois—including lost spending, economic impact and jobs, and cumulative Medicare cuts to Illinois hospitals for 2010-2015, 2016-2020 and 2010-2025. View the impact sheets.
