MEMORANDUM

IHA’s Hospital Advocacy Day in Springfield April 30 – RSVP Now

Over the next several weeks and months, the Illinois General Assembly will be focusing on issues of critical concern to the hospital community, including Medicaid managed care, mandatory nurse staffing ratios and the state budget/Medicaid funding. How these issues will be resolved hinges on our collective effectiveness in reaching legislators with our key messages and our strong, unified voice.

As part of our ongoing advocacy efforts, IHA will hold a special Hospital Advocacy Day in Springfield on Tuesday, April 30.

Hospital Advocacy Day is a great opportunity for you to meet face-to-face with your legislators.

If you can attend, please RSVP by April 19 by clicking here so IHA can arrange meetings with your legislators. For scheduling purposes, please indicate in the RSVP form which state legislators you would like to meet with and the order of your preference.

IHA will hold a briefing for hospital CEOs and other hospital leaders at 7:45 a.m. on April 30 at The Inn at 835 (835 S. 2nd St., Springfield).

IHA will be preparing a series of briefing papers and talking points for members to use when meeting with legislators that day.

If you have questions or need more information about IHA’s April 30 Hospital Advocacy Day, contact Nichole Magalis.

We look forward to seeing you in Springfield on April 30.
