Non-Acute Care
Organizations

We reduce costs for non-acute
providers by on average

10-15%

while providing outstanding
customer service

By partnering with IPC Group Purchasing, non-acute providers get access to top-tier, high-quality medical products and services at discounted prices—and with no membership fees. We're committed to delivering value through volume aggregation no matter the facility type.

Why Choose IPC Group Purchasing?

Service

Our exceptional client services team and partners identify savings, assess contracts and ensure appropriate pricing.

Affiliation

As an IPC member, you'll have access to Premier's highly competitive portfolio of more than \$69 billion in purchasing volume and 3,200+ contracts.

Volume Aggregation

Our purchasing volume means competitive pricing through Premier and in partnership with Capstone Health Alliance, a much larger group of Premier members who aggregate their GPO spend. We also negotiate directly with suppliers for products and services not available through Premier.

We partner with Premier, one of the nation's largest group purchasing organizations covering more than

1 in 2

healthcare providers.
